

REMARKS

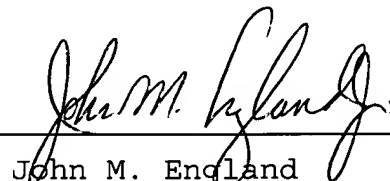

To eliminate a possibly confusing reference regarding the Information Controller of FIG. 2 (item 42), the word "printer" is deleted as the Information Controller of the invention is not a printer. A separate letter requesting approval of the drawing amendment is attached herewith.

To better set forth and succinctly claim that which the applicant regards as the invention and for reason of filing economies on the national stage, claims 7, 9, 11, 19, 21, 25-27, 30, 31, 34-36, 40, 42, 44, 45, 49, 51, 52, 54-57, 60, 62, 64, 66 and 69-71 are cancelled without prejudice. Claims 1, 3, 4-6, 8, 10, 16, 17, 20, 24, 29, 31, 41, 43, 50, 53, 59, 67 and 68 are amended.

Independent claims 1, 28, 41, 43, 46, 52, 67 and 68 remain standing in the application. No new matter is added.

Respectfully submitted,

By
